Why Southern Lumber chooses Carolina Machine Finishing

“

We have been a partner with Carolina Machine Finishing since the day they opened twenty plus years ago.

The Carolina Machine Finishing Process encapsulates our outdoor Elite Trimboards on all 6 sides. The oil-based paint deters moisture from entering the wood cells.

“CMF is committed to supplying superior products to their customers. Together we have been able to ensure a high quality product that is a win for builders, homeowners and architects alike.”
— Southern Lumber

Protect the exteriors of your home from UV and water damage to receive a painting warranty of up to 25 years on wood and cementitious materials.
