Dear Valued Customers,

We at Southern Lumber and Millwork are committed to providing you with the highest level of customer service and premium products.

Due to the increase of fuel and operating expenses, we have changed our Return Policy so that we can stay committed to these values.

The restock fee for jobsite pick-ups will increase to 25%. Returns brought back by a customer will be assessed a 10% restock fee.

We appreciate your ongoing support, continued partnership, and understanding. Please reach out to a sales associate with any questions or concerns.

Sincerely,
